### Camp Instruction Details
Campers will be divided by grade and/or skill level. Younger campers will receive a fun and positive introduction to basketball. Campers will also establish a foundation for basketball fundamentals. The older camps will focus on developing skills and teaching new ones. Individualized instruction and competitive play will offer opportunities for campers to improve their game. These are teaching and learning camps with an emphasis on fundamentals, teamwork, and a positive atmosphere to grow. All attendees will also receive an inside look at the MVNU men's basketball program & facilities.

### Staff
These skill camps will be run by MVNU Head Coach Jared Ronai, staff, and players. This staff will provide the best instruction available for any level player.

### Registration
Confirmation of registration occurs on the first day of each respective camp, 1 hour leading up to start time.
